- Property Improvements
- NFIP Flood Insurance Conformance
- FEMA V-Zone Risk Factor Rating
- Building Envelope Studies
- Contract Documents
- Waterproofing Bidding Packages

Multifamily and resort communities have their real challenges with most being constructed in hurricane prone areas. Henry Norris and Associates has been producing designs for these facilities for almost 30 years and during that period has gained valuable knowledge and expertise with the construction and aesthetics that is so critical to the success of these types of projects.

Please review the website to view a more extensive collection of our Multi Family Projects.
