- Pre-existing Condition Analysis
- Additions
- Adaptive Reuse
- Space Planning & Design
- Construction Documents
- Bidding & Negotiations
- Construction Phase Administration
- Project Closeout

*Renovations are some of the most demanding and rewarding projects that the firm has enjoyed producing. With special knowledge and understanding working with the City of Milton with a Block Grant Project; the firm renovated a dilapidated structure in Pensacola into their current offices. Winning the Golden Brick Award for that project, the firm went on to produce some of the best and award winning renovated structures in the area.*

*Please review the website to view a more extensive collection of our Renovation Projects.*
